TGIM WEEKLY AUDIO: Be You

Thank God It's Monday!™ It's far too easy to lose sight of *who* you truly are when you're at the office.

"I'm not on track to reach quota, so I can't waste my time engaging with other employees."

"I can't take it. Jared's success is making me look bad."

"Should I jump in and make that joke? What if they don't laugh?"

This discontent, this frustration—it's all driven by a lack of comfort.

By this point in your life, you have a pretty good sense of who you are. And by this point in your life, you've come to the conclusion that when you stray from the path that defines you, you quickly grow frustrated.

So choose comfort. Don't hesitate to be yourself.

Everyone's laughing at the lunch table, and a joke pops into your head...make it! You feel that the company is underachieving, setting the standard of excellence beneath its capability... raise the standard!

BE YOU, and create a great Monday!
