TGIM WEEKLY AUDIO: Let Your Drawbridge Down

**Transcription*

Thank God It's Monday!™ Let Your Drawbridge Down—You only grow when you accept coaching...and unfortunately, it's sometimes hard for all of us. It really is. We HATE the thought that we make errors and that we are flawed...but we are flawed and we do make errors so why not accept it. It doesn't mean we're bad, wrong, or sick. It means we're human. We are simply humans trying to find our way to be the people our dogs think we are.

So why not let your drawbridge down. Accept the coaching. Let them in. After receiving the coaching, instead of telling people why they're wrong, explain that you will take in what they said and consider it and get back to them about the actions you'll take.

Let it be the magic. Use it as a guide to help you better channel your energy and create better results.

And don't forget to thank the person coaching you...it is because they care enough to help.

Have a great Monday!
