

THANK GOD IT'S MONDAY!

Roxanne Emmerich

TGIM WEEKLY AUDIO: Out On the Skinny Branches

**Transcription*

Thank God It's Monday!™ I'm not sure where the notion gained acceptance, but sometimes the unwise will suggest that it is not okay to make mistakes. I argue the contrary.

Mistakes often indicate that you've tried something new. Mistakes often result from action. But most importantly, mistakes are *always* learning opportunities, provided you learn the lesson so that you don't repeat that same mistake.

It is incredibly easy to find your groove and continue on fearlessly in that groove. But sometimes you have to step out of your comfort zone and let yourself fall. You will not be successful every time. But if you never step into the unknown, out onto the skinny branches, you'll never achieve the success you desire.

Have a great Monday!

Roxanne

Roxanne Emmerich's Thank God It's Monday! How to Create a Workplace You and Your Customers Love climbed to #1 on Amazon's bestseller list and made the New York Times and Wall Street Journal bestseller lists—all in the first week of its release. Roxanne is renowned for her ability to transform “ho-hum” workplaces into dynamic, results-oriented, “bring-it-on” cultures. If you are not currently receiving the Thank God It's Monday e-zine and weekly audios,
