

THANK GOD IT'S MONDAY!

Roxanne Emmerich

TGIM WEEKLY AUDIO: Perspective

**Transcription*

Thank God It's Monday!™ It's never hard to find an excuse for falling short of expectations. We've been sick, after all, or busy, or stressed. But a client of mine has an employee with a lesson for us all. She has terminal cancer. It's hard to think of a more legitimate excuse than that. But instead of turning inward, instead of giving up, she inspires her team every day as she wows customers and shows deep concern for teammates. On the other hand, we all know people who need to go home because they have a hangnail.

Life and work are what we make of them. We could all stand a reminder to take our results seriously and ourselves much more lightly.

Have a great Monday!
