Thank God It's Monday![™] I bet you remember when you were small and your mother told you that you could put on your big boy, or your big girl pants. I remember those days. It meant you got to go out and do what the big people do.

Well now you know that when you have a job, that there are decisions. And sometimes they are gut-wrenching decisions that put you into a state of terror. You can't even feel like you can move ahead. That's when we get to put on our big boy pants, and big girl pants, suck it up and go for it anyway. You decide to be unstoppable in the midst of what seems to be all kinds of reasons to stop. Being frozen in fear is no way to spend your career. Ask yourself, "What would I do if I were brave?" Then, answer it with not just thinking, but doing those things.

That's the ultimate way to put on your big boy, and big girl pants, and *make big things happen*.

Have a great Monday!
