TGIM WEEKLY AUDIO: Step Into Confidence

**Transcription*

Thank God It's Monday![™] Imagine for a second what life would look like with no insecurities. I mean truly—not a single, personal, insecurity.

Things would feel great, right? You would stare, fearless, right into the eye of the economy. You would step into your swimsuit and walk toward the crowded beach—head held high. You would wear your hair as you pleased, dress down because it's comfortable, and smile brightly because you have the best smile in the entire world.

So who came up with the notion of caring what others think? Who came up with the idea that what others think can bring you down? I assure you that you are amazing beyond belief. Tell yourself that, because it's true. Soon you'll see it too.

Have a great Monday!
