TGIM WEEKLY AUDIO: Swing Your True Swing

**Transcription*

*Thank God It's Monday!*TM The game of golf is really quite simple. The struggle is suppressing the distractions, calming yourself such that you are in complete tune with your body, and maintaining unparalleled focus. In the great movie, *The Legend of Bagger Vance*, Bagger Vance put it this way: “He got a lot of shots he could choose from... Duffs and tops and skulls, there’s only ONE shot that’s in perfect harmony with the field... One shot that’s his authentic shot, and that shot is gonna choose him... There’s a perfect shot out there tryin’ to find each and every one of us...”

I truly believe that. Maybe you’ve learned to swing an ugly swing , but you’ve grown comfortable with it. And now that you’re trying to correct your bad form, things aren’t feeling natural.

Step out of your comfort zone, and let that true swing come through you. Let your innate wisdom lead you powerfully.

Have a great Monday!
