## TGIM WEEKLY AUDIO: Thank the Boss

*\*Transcription*

*Thank God It's Monday!*™ There's nothing like appreciation. Hearing a few words of appreciation for a job well done can turn a bad day around on a dime. Fill your workplace with a culture of appreciation and watch productivity and engagement soar.

We often express appreciation to those who work for us or with us, but there's one direction the compliments rarely flow: uphill, to the boss. And the further up the hill you go, the less likely an executive is to hear the kind of praise that sustains us all.

So when your manager or even the CEO does something really well, take a minute to let him or her know that you noticed, and it's appreciated. It'll mean all the more because it is so rare.

Have a great Monday!
